Each high-resolution, edited, digital portrait file will be emailed to you within six weeks, with license release for unlimited print or digital use: you may print it at home, or take it to your favorite print lab. Each file is of quality to print up to poster size.

Separately purchased prints and/or discs (in addition to the Portrait Package) will be delivered to your studio.

For any questions regarding your digital or print portraits, please contact us at scottnilssonphotography@gmail.com
