The Northeast Atlanta Ballet is a pre-professional, non-profit ballet company. Jennifer B. Gordon founded the company in 1996 in an effort to increase arts awareness in the local community by providing quality classical productions at affordable family pricing. The Northeast Atlanta Ballet (NEAB) performs a full season including a fall concert, the traditional version of The Nutcracker with live orchestra, a full length classic in the spring with live orchestra, and our children's series in the summer. Our repertory of full-length ballets includes Cinderella, Sleeping Beauty, Coppelia, Peter Pan, Swan Lake, Aladdin, Emperor & The Nightingale, Giselle and more. Dancers also present contemporary and modern works in our fall concert series. In addition to our annual production of "The Nutcracker" in November of 2016, the Northeast Atlanta Ballet will perform the full length production of "Emperor & The Nightingale" in September of 2016, "Swan Lake" in March 2017 and "Aladdin" in May 2017. All performances are scheduled at the Infinite Energy Theater.

A full size (8 1/2 x 11), high gloss, professionally printed program will be printed for the full-length ballet productions with available advertising space. If you purchase an ad, it will appear in the program for each show reaching over 11,000 community minded people. The ad will run in the program for "The Nutcracker" for the fall 2016 performances, the spring 2017 production of "Swan Lake", and the summer 2017 production of "Aladdin". You will also be listed as a sponsor in our fall 2016 program for the season.
