Grayson School of Ballet

6-9 Year Olds

Just when the summertime blahs hit, ballet saves the day! Don't let your child miss out on the most comprehensive summer program yet! We will be offering classes in ballet, jazz, and modern, for students ages 6-9. The performance workshop will also offer professional instruction in ballet history, nutrition, variations, drama, stage-crafts, and many other fun activities. We will study a famous ballet, and then recreate the story through dance and mime. Students will be taught to express themselves through movement. All dancers will perform for parents at the conclusion of the workshop.

Instilling Poise, Self Confidence, Lasting Friendships, and Fun!

Our new expanded facility features state of the art studios for your budding ballerinas! This is a great opportunity for your child to really advance in his/her dance training and to have fun! Students receive up to 35 hours of instruction during our summer workshops. This is equivalent to two month's worth of training for many young dancers. What an exciting, quality activity for your child.
