The Northeast Atlanta Ballet is a pre-professional, non-profit ballet company. Jennifer B. Gordon founded the company in 1996 in an effort to increase arts awareness in the local community by providing quality classical productions at the Gwinnett Center. The Northeast Atlanta Ballet (NEAB) performs full-length classical ballets such as Cinderella, Sleeping Beauty, Coppelia, Peter Pan in the spring, and the holiday tradition, The Nutcracker with live orchestra in the fall. In addition to our annual production of The Nutcracker, the Northeast Atlanta Ballet will perform the full length production of Swan Lake in March 2013 and Aladdin in May.

A full size, high gloss, professionally printed program will be printed for the full-length ballet productions with available advertising space. If you purchase an ad, it will appear in the program for each show reaching over 12,000 community minded people. The ad will run in the program for The Nutcracker for the fall 2012 performances, and for the spring 2013 production of Swan Lake. You will also be listed as a sponsor in our other programs for the season.
