July 29, 2021

Dear Parent,

Please let us know if you are interested in having your child appear in the Northeast Atlanta Ballet production of the NUTCRACKER in the role of a BABY MOUSE. Baby Mice are usually in one performance. Performances are schedule for November 25-28, 2021 at Gas South District (formerly called Infinite Energy Center). Exact performance times are still to be determined due to seating restrictions. The venue has wonderful social distanced seating, masks, hand sanitizing, temperature checks and more to ensure the safety of performers and guests.

We have planned so that we may keep rehearsal time to a minimum. Rehearsals are held at the studio. They are separate from the regular classes. Keep in mind that some changes may be necessary so please check the website under the members tab (password required) for any changes. Wednesday, November 24th Dress Rehearsal at Infinite Energy Center is **absolutely mandatory**. Please remember this is a public performance and not a school recital. All parts are equally important and critical to the success of the production.

Don't forget ---each child who participates as a Baby Mouse is responsible for a production fee of \$135. This fee includes costume rental, alterations, prop rental, and 4 complimentary tickets to any of the Nutcracker performances. These tickets must be reserved through the office. Order forms are available in the lobby or on our website. Of course you may purchase more tickets through the office or the Infinite Energy website to see these adorable students!

Please make this check payable to Northeast Atlanta Ballet and turn in to the office no later than September 20th along with this form. If all spots have already been filled, your check will be returned to you. Thank you for your support of your budding ballerina and the Northeast Atlanta Ballet.

If you have any questions or concerns, please feel free to call me at 770-921-7277. We look forward to sharing this experience with you and your family.

Sincerely,

Jennifer Gordon
Artistic Director
